

## WEBSITE DEVELOPMENT & VPS HOSTING PROPOSAL

Prepared For

**DARBAR BANQUET HALL**

Prepared By

**VIXALYZE SOLUTIONS**

*Web Development • Digital Marketing • Business Automation*

---

### 1. PROJECT OVERVIEW

Vixalyze Solutions is pleased to present this proposal for the design, development and deployment of a **modern, high-performance Next.js website with a dedicated Admin Panel** for **Darbar Banquet Hall**.

The proposed platform will not only provide a premium online presence but will also allow the Darbar Banquet Hall team to **manage website content, enquiries, gallery images, services and packages through an easy-to-use administrative dashboard**.

---

### 2. PUBLIC WEBSITE FEATURES

#### Modern & Responsive Website

- Premium and professional UI/UX
- Fully responsive design
- Mobile, tablet and desktop optimization
- Fast-loading Next.js architecture
- Modern animations and interactions
- Professional banquet/event venue design
- WhatsApp integration

- Social media integration

### Website Pages

- Home
- About Darbar Banquet Hall
- Venue / Banquet Hall
- Facilities & Amenities
- Wedding & Event Packages
- Services
- Photo Gallery
- Events & Functions
- Testimonials
- FAQ
- Contact Us
- Location / Google Maps
- Booking / Enquiry Page

---

### 3. ADMIN PANEL / DASHBOARD

A dedicated **Admin Dashboard** will be developed so the authorized Darbar Banquet Hall team can manage important website information without requiring a developer for routine updates.

#### Admin Dashboard

- Secure admin login
- Dashboard overview
- Website content management

- Enquiry management
- Gallery management
- Package management
- Service management
- Event management
- Testimonials management
- FAQ management
- Contact information management

### **Enquiry Management**

Admins will be able to:

- View customer enquiries
- View customer name and contact details
- View event requirements
- View preferred event date
- View enquiry status
- Update enquiry status
- Add internal notes
- Manage follow-ups

### **Gallery Management**

- Upload new photographs
- Create gallery categories
- Delete images
- Update gallery content
- Organize images by event/category

## Package Management

Admin can manage:

- Wedding packages
- Birthday packages
- Corporate event packages
- Conference packages
- Other event packages
- Package descriptions
- Package pricing
- Package features

## Services & Facilities Management

Admin can update:

- Banquet facilities
- Catering services
- Decoration services
- Parking information
- Event services
- Other venue facilities

---

## 4. EVENT MANAGEMENT

The admin can create and manage events displayed on the website.

### Event Features

- Add new events
- Event title

- Event date
- Event description
- Event image
- Event category
- Edit/delete events
- Display upcoming events

---

## 5. TESTIMONIAL MANAGEMENT

The admin panel will allow the team to manage customer reviews/testimonials.

- Add testimonial
- Customer name
- Customer designation/details
- Review content
- Customer photo
- Edit/delete testimonial
- Publish/unpublish testimonial

---

## 6. CONTACT & LEAD MANAGEMENT

The website will include multiple customer contact options:

- Website enquiry form
- WhatsApp enquiry
- Phone call button
- Email enquiry

- Google Maps
- Social media links

All website enquiries can be collected and managed through the **Admin Dashboard**.

---

## 7. SEO & PERFORMANCE

The website will be developed with SEO and performance in mind.

### SEO Features

- SEO-friendly Next.js architecture
- Meta title management
- Meta description
- SEO-friendly URLs
- Sitemap.xml
- Robots.txt
- Open Graph/social sharing metadata
- Google Search Console-ready setup
- Mobile-friendly design
- Image optimization
- Performance optimization
- Search-engine-friendly structure

---

## 8. VPS HOSTING – 2 YEARS

**VPS Hosting Cost: ₹17,000**

The website will be deployed on a VPS environment for better performance, flexibility and control.

### **Includes**

- VPS hosting for 2 years
- Server configuration
- Next.js deployment
- Node.js environment setup
- Application deployment
- Domain connection
- SSL/HTTPS configuration
- Basic server optimization
- Production environment configuration

---

## **9. DOMAIN – 3 YEARS**

**Domain Cost: ₹3,499**

Includes:

- Domain registration for 3 years
- DNS configuration
- Domain connection with VPS
- Basic domain setup

---

## **10. TECHNOLOGY STACK**

The platform will be developed using modern technologies:

- **Next.js**

- React
- TypeScript
- Tailwind CSS
- Node.js
- Database integration
- VPS Server
- SSL/HTTPS
- REST/API architecture where required

---

## 11. SECURITY FEATURES

Basic security measures will be implemented, including:

- Secure admin authentication
- Protected admin routes
- Password-protected dashboard
- Server-side validation
- Form validation
- HTTPS/SSL
- Basic spam protection
- Secure API handling

---

**TOTAL: ₹34,999/-**

**Amount in Words: Thirty-Four Thousand Nine Hundred Ninety-Nine Rupees Only.**

---

### 13. PROJECT TIMELINE

#### Estimated Development Time

#### 15–20 Working Days

The timeline will depend on the availability of required content, images, package details and other information from Darbar Banquet Hall.

---

### 14. CLIENT REQUIREMENTS

Darbar Banquet Hall will provide:

- Business logo
- Venue photographs/videos

- Contact details
- Address
- Google Maps location
- Services and facilities
- Event/package information
- Pricing information, if applicable
- Social media links
- Other required business information

---

## 15. PAYMENT TERMS

### 50% Advance

**₹17,500**

### 50% Before Final Deployment

**₹17,499**

Development and server configuration will begin after confirmation and receipt of the advance payment.

---

## 16. FUTURE SCALABILITY

The website architecture will be designed so that additional features can be integrated in the future, such as:

- Online booking system
- Online payment
- Advanced booking calendar
- Customer accounts

- Automated WhatsApp notifications
- Email notifications
- Invoice generation
- Coupon/offer management
- Advanced analytics
- CRM integration
- Google Business integration
- AI chatbot
- Multi-language support

*Future features will be quoted separately depending on requirements.*

---

## 17. IMPORTANT TERMS

- The proposal includes **2 years of VPS hosting** and **3 years of domain registration**.
- VPS and domain renewal charges after the included period will be applicable separately.
- Admin panel and features listed in this proposal are included within the project scope.
- Major features not mentioned in this proposal may be charged separately.
- Client will provide required business content, photographs and other materials.
- Minor design and content revisions during development are included.
- Third-party paid APIs, software, plugins or services are not included unless specifically mentioned.

- Website ownership and project handover will be provided after completion of the agreed payment.

---

## 18. FINAL PROPOSAL SUMMARY
